

## EVENTS FOR SCHOOLS AT MUSEUM OF NORWICH:

### KS1 or KS2 Made in Norwich

#### Essential information

Maximum group size 15, £3 per student, 35-minute workshop, minimum fee £30

#### The event

What has made Norwich a Fine City? Examine Norwich's industrial past, including the production of textiles, hats, shoes, mustard, beer, chocolate and ironwork.

Find out about the lives of workers in the city, and handle real and replica versions of the tools they used and the products they made. Plus find out how the museum building itself also played a part in the industries of Norwich!

For larger groups, the workshop can be run multiple times, with groups not in the session being self-led around the museum. The museum is small, so a total group size of 45 is preferable.

You can combine the visit with the [trails on our website](#).

#### National Curriculum links

- Events beyond living memory that are significant nationally or globally (the rise and decline of Norwich industries)
- Significant historical places in their own locality (industrial sites in Norwich)
- A study of a site dating from a period beyond 1066 that is significant in the locality (Norwich as a centre of commerce and industry)

#### How to book:

Advance booking is essential. To book, please call 01603 493636 or email [norwichcastle.bookings@norfolk.gov.uk](mailto:norwichcastle.bookings@norfolk.gov.uk).
